

Chamber University is a continuing education and training program developed to meet the specific training and educational needs of the local business community. The low cost trainings will provide a tremendous resource and cover relevant topics to help strengthen Chamber member businesses. Please check The Chamber's calendar for specific dates and times.

Seminars offered in 2010 will include:

Utilizing the Web in Your Business – presented by DigItAll Designs (February)

What is on Your Dashboard? Key Performance Indicators that Drive Results in Any Economy – presented by Sikich LLP (March)

Effective Time Management – presented by LRS Educational Services (April)

Developing or Revising Your Company Employee Handbook – presented by Rogers HR Consulting (May)

Would You Like "FRIES" With That? (Customer Service) – presented by Express Employment Professionals (June)

Facebook as a Professional Tool – presented by Lincoln Land Community College Capital City Training Center (July)

Mission Possible: Mastering Your Email in Outlook – presented by Mavidea Technology Group, LLC (Aug)

How to Manage Problem Employees and Difficult Supervisory Situations – presented by Glenn Shepard Seminars (September)
