

## Director of Communications

The Greater Springfield Chamber of Commerce is seeking an individual to direct the communications of The Chamber and its economic development initiative, Q5. The primary responsibilities of this full time position are collecting and communicating information about the organization's accomplishments and activities to a broad range of audiences. This position will be the lead in The Chamber's image design, consistency, placement, and management.

A bachelor's degree in journalism, marketing, business administration or related field is preferred. Lifetime experience may be considered as part of the candidate's qualifications. For more information on The Chamber and the Quantum Growth Initiative, see <http://www.gsc.org>.

Applicants should send a cover letter describing their interest in the position, a resume, two business references, and salary expectations by July 31, 2010 to:
