

Chamber's Direct Mailing Program

Cost-effective way to reach fellow Chamber members

The Chamber's Direct Mailing Program is a cost-effective way to reach fellow Chamber members with a direct mail piece. Each month, The Chamber organizes a mailing of flyers to members announcing upcoming Chamber events and programs. Members have the opportunity to insert a flyer into the mailing that reaches approximately 2,000 business leaders for a fraction of the cost of an independent mailing. The Direct Mailing Program is an effective way to advertise everything from a grand opening to the launch of a new service or product in a highly visible and timely manner.
